~~MOBILE, ALA.~~  
Mr. J. P. Moore, Morgan, Ky.

Dear Sir:  
Queens have arrived in good shape, and bees are now eating out the candy. I owe you a balance of .50 cents on recent orders, so make out check for \$1.50 and order another queen, ~~the~~ No hybrid bees so far. Permit me to state that I am much pleased with your queens and their progeny. Some of their bees are light enough for the most fancy goldens, yet they are steady workers. Permit me also to thank you for your promptness in filling orders, and replacing the one injured in the mail.

This is my last order for 1910. I soon go to Mobile for the winter. With best wishes,

Sincerely,

H. A. Moody
